- 13) Thank you.

Example: Original Unedited Client Script

- 1.Hi, I'm Daniel Falk, I created **Inclusive Hemp** to help the 61 Million Americans who struggle with a disability.
- 2.Inclusive Hemp provides **wholesale access to the Hemp markets through membership purchasing plans**.
- 3.**Membership** helps nonprofits **develop valuable new revenue streams** from **resales of high-value Hemp products**.
- 4.**Hemp product resales** are an excellent eco-friendly way for nonprofits to **generate revenue** for more effective service delivery.
- 5.As a special education professional, I see disability service providers struggle to raise funding as service demand, operational costs and regulatory complexities increase every year.
- 6.Disability service providers are angels of our communities. They **protect and serve** the neediest members. High **public costs are more successfully off-set** by adding new revenue streams for service providers to meet operational demands.
- 7.Hemp product resales are an excellent financial resource for service providers.
- 8.Our branded product purchasing model helps service providers turn wholesale access into valuable financial resourcing for organizational support.
- 9.We provide our members the best wholesale bulk prices on many high-value products to resell for 2-5x the value.
- 10.Membership is available to any organization or individual. Product donations are also welcomed and distributed to nonprofit members.
- 11.Hemp products for wellness like CBD, compostable paper and plastics, textiles and building materials are very valuable for resale.
- 12.Sustainability initiatives qualify for many grant programs.
- 13.Supporting community nonprofits means building stronger awareness of social needs, and providing helpful actions to enhance the fabric of positive human relations.
- 14.Inclusive Hemp is **built on compassion and nurturing actions to create social equity** for people with disabilities.
- 15.I invite you to create powerful results by **becoming a member** today.
- 16.Thank you.
